JOB DESCRIPTION

We are seeking an Intermediate Interior Designer to join our growing team of creative professionals. The ideal candidate will have a minimum of 5 years of relevant hospitality and entertainment design experience. This is an exciting opportunity to make a big impact, quickly grow your professional skills, and work with a team of brilliant dreamers and doers.

RESPONSIBILITIES

- » Applicant is able to develop & offer new design ideas, including preparing operational floor plans, design concepts and presentations
- » Complete a detailed site measure (including M&E) and required drawing retrieval
- » Prepare constructible Design Development drawings to guide final Contract Documents
- » Lead and manage the drawing review/redlining process and communicate results to the design and production teams
- » Initiate Building Code reviews and ensure compliance for the Project Leader's review
- » Delegate, create and review FF&E specifications with guidance from Project Leader
- » Prepare and distribute accurate meeting minutes
- » Manage ongoing communication with the client group, consultants, and project group as required
- » Prepare and manage Tender Addendums, RFI's, and other tender administration tasks

- » Administrative project setup and production of VE initiatives
- » Ability to assume small to medium project management roles from design to completion with guidance from the Project Leader
- » Attend construction meetings if required by the Project Leader/Studio Leader
- » Complete Deficiency walk through and summary report
- » Supervise art/signage installations as required by the Project Leader/Studio Leader
- » Complete project filing of own paperwork throughout the project

REQUIREMENTS

- » A minimum of 5 years of relevant hospitality and entertainment design experience, with an emphasis in Hotel & Resort Design
- » Excellent written and verbal communication skills and teamwork abilities
- » Strong organizational and time-management skills
- » Proficiency in AutoCAD, Revit, Sketchup, MS Office and Adobe Creative Suite
- » Knowledge and familiarity with building codes
- » Professional work ethic and attention to detail

WHAT WE OFFER

- » A unique opportunity to join a small, but brilliant team of creative professionals
- » A collaborative and inspiring work environment located in Toronto's Entertainment District
- » Opportunities for professional growth and development
- » A competitive salary and benefits package
