### WHO WE ARE + WHAT WE DO

**mackaywong** is boutique, design and branding studio in the heart of Toronto's Entertainment District. We happily spend our time dreaming up extraordinary environments and guest-inspired experiences for many of North America's best entertainment and hospitality brands. Our work is award-winning and bold, but more importantly, it brings people together, drives loyalty, increases revenue, and transforms beloved brands into admired marketplace leaders. Since the beginning, our talented team has created hundreds of beautiful restaurants, bars and clubs, dozens of stylish hotels, and destination casinos, developed a gazillion logos, umpteen brand strategies and left a mountain of lovely sketches along the way.

Together with our clients, we define and position their concepts, visualize their identities, and breathe life into the spaces using every means available. We develop what these experiences can do, identify who they are for and shape the memories that follow. We draw the pictures, select the materials, manage the process, crash the Opening Party, and definitely a whole lot more.

---

### WHY WORK WITH US?

The **mackaywong** family is filled with excitement, support and camaraderie. Our mighty team works hard and plays hard together, forming a strong bond that allows the studio to maintain a welcoming and hospitable atmosphere. Working with **mackaywong** means joining a creative and inspiring environment that will strengthen your career all while making genuine lifelong connections and memories along the way. If you are a foodie, love dogs or travelling, you'll fit right in! We look forward to expanding our family, perhaps this includes you!

In addition to a great culture and working environment, **mackaywong** offers a comprehensive compensation package and health benefits.

#### RESPONSIBILITIES

- » Create outstanding design concepts and provide solutions that satisfy project goals and adhere to graphic design best practices. Projects will range from signage and wayfinding programs, environmental graphics and artifacting, to corporate identity, branding, collateral and presentations, to social media and web design projects.
- » Design, prepare for production and specify components for fabrication, complete with design intent specifications, details, and sections.
- » Articulate concepts, sketches and schedules with the Partners, Branding Studio Director and Project Managers.
- » Closely collaborate with other departments to create and execute brand-forward projects.
- » Coordinate with production fabricators and installation vendors.
- » Prepare client-facing presentation material and communicate directly with clients and stakeholders.
- » Ensure designs follow project schedules and quality standards.
- » Recommend techniques, methods, and media best suited to produce desired visual effects and successfully achieve required design results.
- » Aid in the planning, scheduling, brainstorming and creation of engaging and visually appealing content for **mackaywong's** social media platforms (LinkedIn, Instagram, Facebook).
- » Contribute to the constant evolution of **mackaywong's** creative process.
- » Manage creative resources and assets.
- » Help expand and shape our in-house marketing needs.

**Sound like the perfect gig for you? Then we'd love to meet you! Please send us your resume and portfolio. While we thank all those who apply, only those selected for an interview will be contacted. No phone calls please.**
